### Greyhound Rehoming & Holiday Care

JakesPlace Greyhound Rehoming & Holiday Program is dedicated to our remarkable ex racer Penny. Penny has gracefully retired now residing in Toongabbie on our rural property. Penny dedicates her time, retraining ex racers, disinterested or too slow greyhounds for their perfect home.

## Rehome a Greyhound \$350.00

All Greys coming onto the property must be up to date with their vaccination, flea and worming treatments. We all live in the house together with outside accommodation available.

Owners must commit to drop off and pick up arrangements, if delays occur prompt notice is required ASAP as this will affect the next holiday booking.

All holidays bookings are charged \$45.00 per night
